

2021 Junior Representative Team nominations close on 28th August 2020. Forms are available on the SSNA website.

Completed forms should be handed to your Club Secretary along with the \$20 application fee. Please ensure that you carefully select the playing positions you nominate. We are unable to change player positions on the day of selections.

The selection dates for the 2021 12 years - 15 years representative teams will be advised ASAP.

There is usually a carnival at Manly that our representative squads attend in early February. This carnival is a part of our final selection process. When the date is confirmed, all players in the 12 years – 15 years squads will be advised by their coach/manager.

Please ensure that all players nominated to trial are aware that they must attend each of the selection dates. If players are sick or injured and unable to attend, a medical certificate or physio letter is required for the selection committee to consider. **SSNA must be advised by email if players are unable to attend, preferably at least 48 hours prior to the selection date.**

****Clubs will be expected to provide umpires for our selections and each club will be advised as the roster is prepared.****
